An important decision has been rendered by Secretary STRAUSS of the Department of Commerce and Labor as to the right of a state to induce immigration to that state. The decision holds, in brief, that in the circumstances there is no violation of the immigration laws or of the law to prohibit the importation of alien contract laborers in the action of the state of South Carolina in this particular case, in encouraging immigration to that state, or in paying the necessary expenses of the immigrants in coming to the state.

The case on which the decision is based originated in South Carolina. On November 4th, 1906, the steamship Wittekind arrived from Bremen at the port of Charleston, having on board about 475 aliens destined to various points in the state of South Carolina.

All of these aliens were induced to migrate to the United States by the state of South Carolina, the state acting through the medium of its Commissioner of Agriculture, Commerce and Immigration, who went to Europe some time in August for the purpose of inducing desirable immigrants to come to the state; the passage money of the aliens was paid by the state from a fund, part of which was appropriated by the state and the balance being contributed by various corporations and individuals.

The Commissioner of Immigration of South Carolina found employment and distributed these aliens to various points in the state. The aliens were free to accept or reject any offers of employment made to them.

The question of the right of a state under the National Immigration Laws to encourage immigration was raised by the officials of another Southern state. It was referred to the Department of Commerce and Labor. Realizing its importance, Secretary MERCALF referred the legal question involved to Solicitor EARL of the Department for an opinion. Mr. EARL decided there had been no violation of the National Law by the authorities of South Carolina.

Lovel's Holiday Special!

My unusually heavy purchases for the holiday trade are now in and opened up. In immensity and variety of stock, in extra quality of goods and in cheapness of prices I am, as heretofore, way ahead of all competitors. I have taken special pains in selecting these goods, and every article I sell is guaranteed to be just as recommended. I sell only the best goods and the most reliable brands. Everyone during the holidays will want some of the following goods, of which I have a large supply: Raisins, Figs, Dates, Citron, Lemon and Orange Peel, Almond's Plain Pudding and Nance Meat, Prunes, Evaporated Peaches and Apples, Cocoanuts, Maple Syrup, Maple Sugar, Buckwheat Flour, Oranges, Grape Fruit, Lemons, Bananas, Malaga Grapes, Catawba Grapes, Apples, Nuts, mixed and un-mixed, Cranberries and Celery; also, a big supply of FINE CANDIES at the most reasonable prices.

FIREWORKS—I had determined to not sell any more of these goods, but much of my trade will have them and expects me to furnish them. My stock of ROMAN CANDLES, CANNON CRACKERS and TORREDES is immense, and the prices will be so low that every one can afford them. Merchants who want to lay in supplies for their trade can buy them as low of me as they can anywhere, and the goods are of the very best.

STOPS ANY ITCHING

Doan's Ointment Cures Eczema and
Itching Piles. Mayeville People
Recommend It.

One application of Doan's Ointment stops
any itching. Short treatment cures eczema,
itching piles, salt rheum—any skin eruption or
skin itching. It is the cheapest remedy to use
because so little of it is required to bring re-
lief and a cure. Here in Mayeville testimony to
prove it:

Mrs. Kate Poth, living at the corner of Clark
street and Forest avenue, Mayeville, Ky., says:
"I gave a statement about Doan's Ointment
which was published in our Mayeville papers.
I said that I had received most decided benefit
from the use of this remedy, procured at J.
James Wood & Son's Drugstore. For a long
time I had an itching or eczema of the scalp.
It broke out in spots, and sometimes the spots
would appear on my forehead and temples.
The itching was particularly troublesome just
before a rain, and then was so intense that I
could not sleep at night. It required only a
short use of Doan's Ointment to cure the trou-
ble and the cure has been lasting for the past
five years. There has never been even an in-
dication of a recurrence. A friend of mine
also had eczema and tried everything for it but
never found anything to remove the annoyance.
On my recommendation she used Doan's Oint-
ment and was absolutely cured."
